<p>Course Description</p> <p>ICM provides students with a general overview of topics in finite college mathematics.</p> <p>Content topics include:</p> <ul style="list-style-type: none"> • Review of Functions • Calculus • Statistics • Sets and Venn Diagrams • Probability • Logic • Graph Theory • Election Theory • Fair Division 	<p style="text-align: center;"><u>Make-up Work</u></p> <p>Students should refer to Weebly/Remind for missed assignments.</p> <p style="text-align: center;">Make up day for tests/quizzes is Tuesday or Thursday during lunch or afterschool</p> <p style="text-align: center;"><u>Extended Time</u></p> <p>Students with the accommodation of extended time for assessments must complete those assessments that same school day.</p>																			
<p>Grade Determination</p> <table style="width: 100%; border: none;"> <tr> <td style="width: 50%; border: none; vertical-align: top;"> <p>Quarter Grades are determined from the weighted categories:</p> <p style="text-align: center;">Major Assignments 60% Minor Assignments 40%</p> <p style="text-align: center;">with total points used within each category.</p> <p>One minor assignment will be dropped each quarter. There will be a quarter retake that can replace the lowest test grade up to 70%.</p> <p>Missed or late work must be completed within the unit assigned. Projects will be accepted up to one week before the end of the quarter in which they are due for 70% of the earned grade.</p> </td> <td style="width: 50%; border: none; vertical-align: top;"> <p>Semester Grades are determined from the weighted categories ...</p> <p style="text-align: center;">50% quarter 3 average 50% quarter 4 average</p> <p>Course Grade is determined from the weighted categories ...</p> <p style="text-align: center;">40% semester 1 average 40% semester 2 average 20% Final Exam grade</p> </td> </tr> </table>			<p>Quarter Grades are determined from the weighted categories:</p> <p style="text-align: center;">Major Assignments 60% Minor Assignments 40%</p> <p style="text-align: center;">with total points used within each category.</p> <p>One minor assignment will be dropped each quarter.
